

Dear Sir or Madam,

It is my pleasure to recommend Cameron Pickford for employment with your company. He was a leader on the church video team at Bethany Assembly of God, Adrian, MI which I supervised from 1999 to 2006.

Over the years, Cameron was responsible for directing multi-camera live shoots, producing and editing promotional videos, and running camera. He has a natural inclination and passion towards the creative aspects of production. Cameron has demonstrated the ability to work quickly under pressure, has strong leadership skills and creative talent.

Cameron was well respected by other members of the team, and was a great asset to our ministry. He is a diligent worker, fun to work with, takes direction earnestly, and is a man of integrity and good character. I strongly recommend Cameron Pickford for the position he is seeking.

Sincerely,

John Hildebrandt
